Our Mission Against **SICKLE CELL DISEASE**

*Building Healthier Communities,
Securing Brighter Futures*

Praises For the Initiative

Tamgadge Trust is doing remarkable work across Bharat, especially in combating Sickle Cell and Thalassemia. Their awareness drives, free camps, and medical support have greatly helped underprivileged communities. Under Sandeep Ji's guidance, the Trust continues this mission with dedication. I appreciate their work and offer my full support. Thank you. Namaskar.

Shri. Nitin Gadkari

Hon'ble Cabinet Minister,
Ministry of Road Transport and Highways

Today, I had the opportunity to visit the Madhukar Tamgadge Trust office and interact with Sh. Sandeep Tamgadge. The trust's work in the fields of health, education, and social welfare is truly commendable. I am especially pleased to see their efforts in empowering young girls, giving them the chance to fulfill their dreams. I extend my best wishes and appreciation to the trust for their remarkable initiatives.

Dr. Ravinder Singal

C.P. Nagpur

I am immensely happy to have been a part of this journey by attending the Schnashty Art Function. The trust has brought invaluable change to society, especially in the empowerment of women. Heartiest congratulations and best wishes for future endeavors. I would love to continue being a part of this journey in any way possible.

Col. Pramod Patil

AO, 53 Bengal Bn NCC, Bishnupur (WB)

Praises For the Initiative

I am very happy to visit the Madhukarrao Tamgadge Trust. This is a great initiative working towards sickle cell awareness and education, especially for underprivileged children who cannot afford treatment. Thank you for the impactful work you are doing. Best wishes for all future endeavors.

Dr. Seema V. Parvekar

Medical Superintendent, AIIMS Nagpur

Madhukar Tamgadge Trust is doing exemplary work in the field of education and healthcare. I wish them great success in their social initiatives and hope they achieve new heights in their mission. Best wishes!

INTRODUCTION

Since 2020, Smrutishesh Madhukarrao Tamgadge Charitable Trust (Tamgadge Trust) has dedicated itself to uplifting marginalized communities across Bharat, especially those most vulnerable to the silent crisis of sickle cell disease.

Over the years, Tamgadge Trust has transformed healthcare access for tribal and rural populations by screening thousands, treating hundreds, and touching millions of lives with hope, empowerment, and resilience.

Partnered with the National Sickle Cell Anaemia Elimination Mission and the National Alliance of Sickle Cell Organizations (NASCO), Tamgadge Trust is a key force in Bharat's goal to eradicate sickle cell disease by 2047.

This document details the Tamgadge Trust's pioneering work, the urgency of addressing sickle cell disease, and the need for robust partnerships and policy support to scale our impact and realize a healthier Bharat.

OUR INSPIRATION

Behind Tamgadge Trust

Late. Madhukarrao Tamgadge

14.07.1943 – 12.03.2015

The Trust is rooted in the enduring values of Madhukarrao Tamgadge, a visionary who believed in an Bharat where everyone, regardless of background, has access to education, healthcare, and opportunity.

A Legacy of Service and Justice

Inspired by Madhukarrao's commitment to uplifting society's most vulnerable, Tamgadge Trust aims to carry forward his legacy through action, compassion, and resilience in the face of adversity.

OUR LEGACY AND FOUNDING PRINCIPLES

Tamgadge Trust is a tribute to Madhukarrao Tamgadge's vision of a more equitable, compassionate Bharat. It honors his belief in justice, empowerment, and the transformative power of community support.

OUR MISSION

Our mission is driven by compassion, care, and a commitment to improving the lives of individuals affected by sickle cell disease (SCD). We believe that every person deserves access to proper healthcare, support, and the opportunity to lead a healthy, fulfilling life.

Early Detection & Free Testing

Conducting free blood testing camps to identify sickle cell disease early

Accessible Treatment & Medical Support

Providing free or subsidized medicines, counseling, and healthcare assistance

Health Camps & Awareness Programs

Educating communities in rural and tribal areas about sickle cell disease

Emergency Support & Blood Donation Drives

Organizing emergency support and blood donation drives

OUR VISION

At Tamgadge Trust, our vision is rooted in compassion, inclusivity, and a commitment to a healthier future for all.

We aspire to:

Early Detection

Focus on identifying sickle cell disease early for better outcomes.

Quality of Life

Enhance the living conditions for affected individuals and families.

Accessible Healthcare

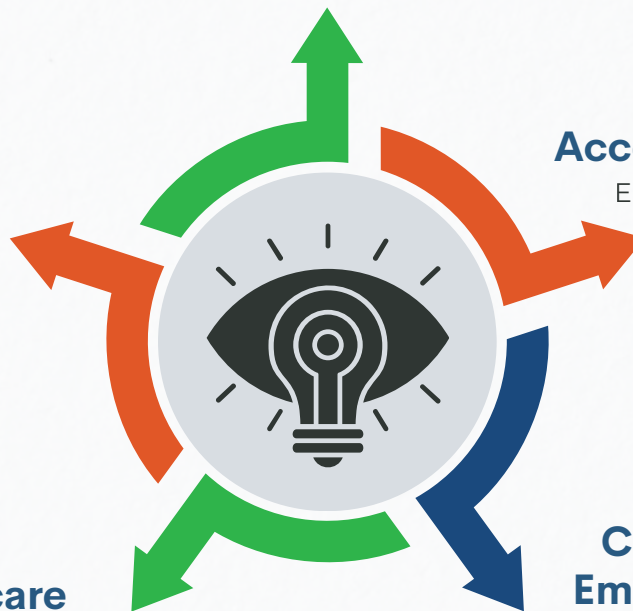

Ensure quality healthcare is available to all individuals.

Healthcare Collaboration

Strengthen networks between various healthcare stakeholders.

Community Empowerment

Educate and support communities to combat misinformation.

OUR CORE VALUES

Compassion

Acting with empathy and dedication for those most in need.

Justice

Supporting vulnerable communities to overcome social and economic barriers.

Empowerment

Helping individuals realize their resilience and strength.

The Urgency of Sickle Cell Disease Awareness in Bharat

Sickle Cell Disease (SCD) is a silent crisis, affecting over **67.8 million people in Bharat**, with the highest burden among tribal communities.

Despite its severity, awareness remains low, leading to late diagnoses, preventable complications, and loss of lives. Without early screening and proper care, children with SCD face a high risk of infections, organ damage, and reduced life expectancy.

Source

National Sickle Cell Anaemia Elimination Mission

The good news?

SCD is manageable with timely intervention. Spreading awareness, promoting early testing, and ensuring access to treatment can change the future for thousands.

The time to act is now!

OUR KEY INITIATIVES

SUPPORT. CARE. IMPACT.

Awareness Campaigns

Initiatives to educate the public on health issues.

Health Screenings

Regular check-ups to detect health conditions early.

Medical Assistance

Assistance for blood transfusion treatment at Subsidized rates.

Emotional Support

Assistance for physical and mental health needs.

AWARENESS CAMPAIGNS

Empowering Communities Through Awareness

For communities affected by sickle cell, awareness is life-changing. Tamgadge Trust works to break myths, reduce stigma, and empower people with the knowledge they need to take control of their health.

Visible Impact our efforts have made

With 500+ camps conducted over five years, increased awareness has driven higher testing rates, proactive health checks, and a growing shift in the perception of sickle cell disease across regions.

HEALTH SCREENINGS

Bringing Healthcare Where It's Needed Most

Tamgadge Trust brings vital health checkups to remote areas where medical help is hard to find.

For many, this is their only chance for early detection.

Visible Impact our efforts have made

With over 31, 757 individuals screened over 5 years, our efforts have helped identify hundreds at risk of sickle cell disease, ensuring they receive timely medical intervention.

MEDICAL ASSISTANCE

A Lifeline Beyond Diagnosis

A diagnosis is just the first step. We believe that early detection must be followed by comprehensive care. From medications and regular checkups to counseling and community support, we stand by every patient, ensuring no one faces this battle alone.

EMOTIONAL SUPPORT

Visible Impact our efforts have made

Tamgadge Trust creates safe spaces for families, offering mental health support and practical resources to manage the disease. Through community networks, we empower individuals to share experiences, seek guidance, and find strength in each other.

Tamgadge Trust has done
counseling of
200+ people

THE ROAD AHEAD

VISION FOR 2047

A Healthier Bharat by 2047

Tamgadge Trust envisions a Bharat where everyone, regardless of location or social standing, can access life-changing healthcare and support.

Expanding Healthcare Access for All

We are expanding mass screening to bring diagnostics to remote tribe.

Reaching Every Tribal & Rural Community

We are ensuring that underserved communities are accessing healthcare, medication, and counseling.

Strengthening Partnerships

We are building a network of government agencies, healthcare providers, NGOs, and corporations to share resources and maximize impact.

Policy Alignment and Institutional Support

We are urging policymakers to prioritize sickle cell disease, allocate resources, and support legislation to sustain and expand our efforts.

MISSION IN MOTION

We began with a purpose to bring hope and health to those who need it the most.

Founded by Sandeep Tamgadge in loving memory of his father, Smrutishesh Madhukarrao Tamgadge Charitable Trust started with a simple belief: *every life matters*.

From our very first health camp to large-scale sickle cell awareness programs, we've grown into a movement.

With every new initiative such as blood donation camps, free sickle cell testing, free medicines and counselling for patients, we are building a healthier tomorrow.

Today, Tamgadge Trust stands as a symbol of care and commitment, touching lives across communities. And this is just the beginning.

THE IMPACT WE'VE MADE

31, 757

People screened till date*

*till 29th Dec

A CALL FOR URGENT ACTION

Eradicating Sickle Cell Disease by 2047 is a necessity. This fight demands collective action from policymakers, healthcare institutions, and corporations to ensure early diagnosis, better treatment, and widespread awareness. Every delay means more lives at risk, more families in distress, and more potential lost.

“
NOW IS THE TIME TO ACT
Support the mission,
spread awareness, and
be a part of the change.
”

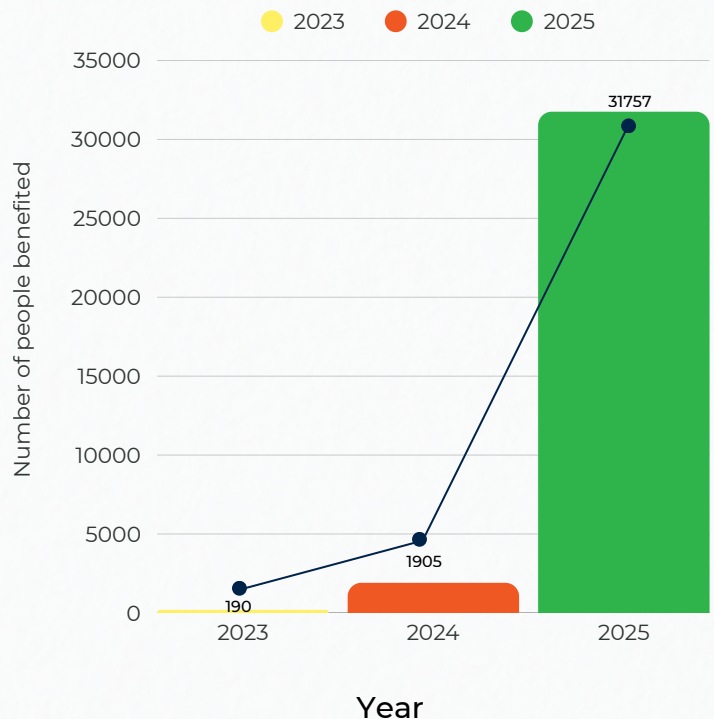

OUR NUMBERS TELL A POWERFUL STORY

With more people becoming aware and our camps reaching new communities, the impact keeps growing.

Every rising number represents a life touched, a family supported, and a step toward better health.

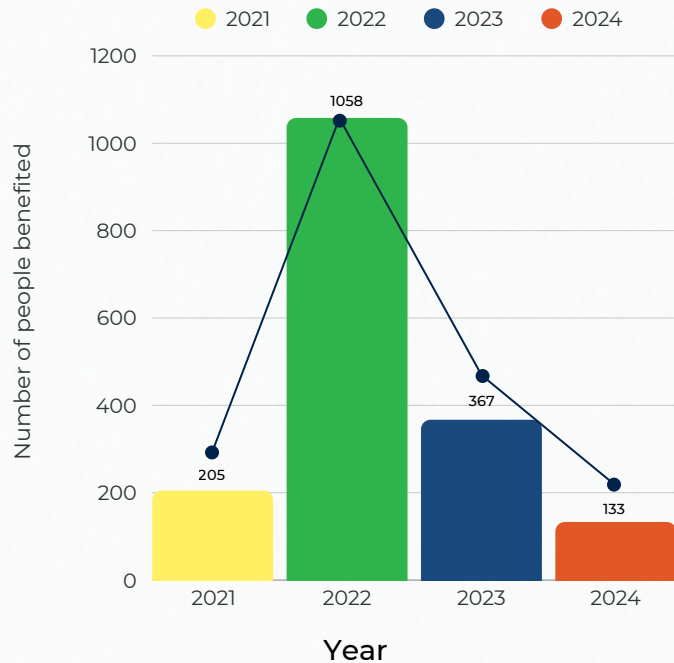

As we continue this journey, we stay committed to reaching more people, offering support, and making a lasting difference.

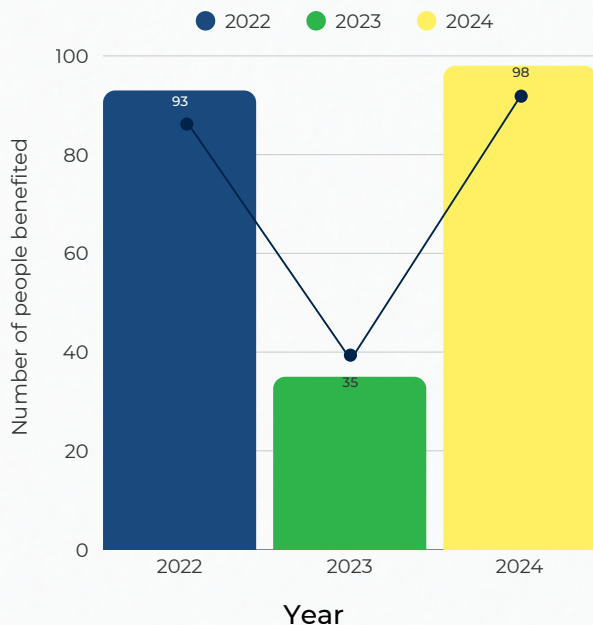

Statistics on Sickle Cell Testing Camps

Over the past year, Tamgadge Trust has significantly expanded its outreach and support for communities affected by sickle cell disease. This growth reflects our commitment to breaking myths, reducing stigma, and ensuring early detection and treatment for those in need.

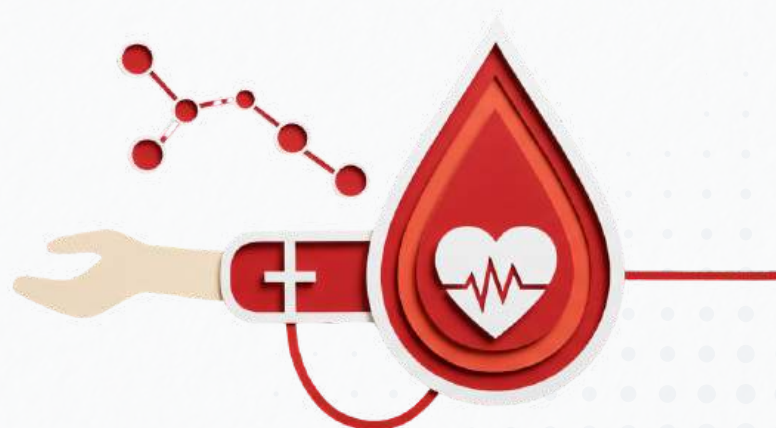

Statistics on Health Awareness Camps

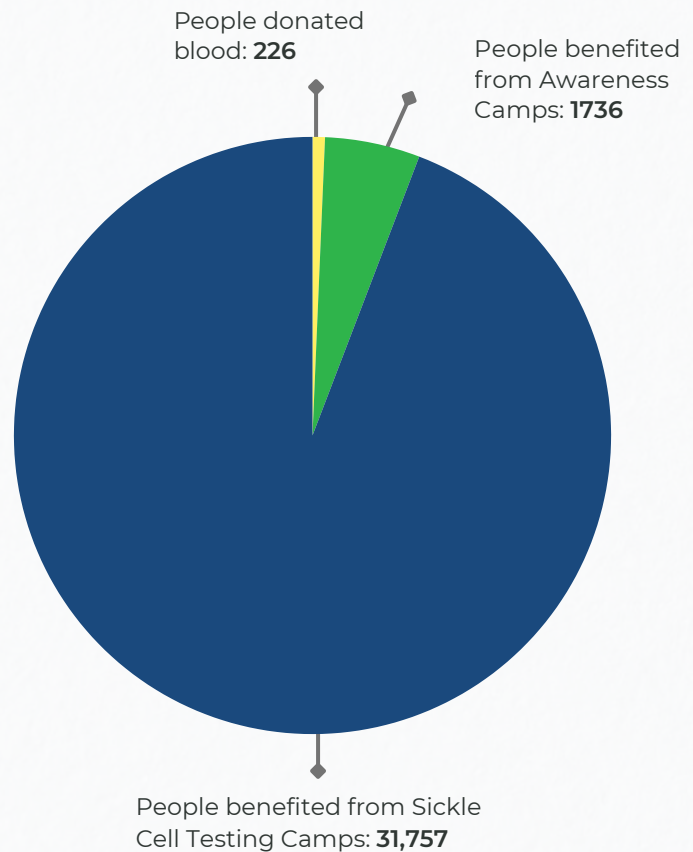

Statistics on Blood donations

A huge thank you to the 226 selfless donors who stepped up to give the gift of life. Your generosity is more than just a number; it's hope, healing, and a second chance at life for those battling sickle cell disease.

OVERALL IMPACT AND OUTREACH

While our awareness camps and sickle cell testing have reached approximately 30, 300+ people, blood donations remain critically low at just 226 units so far.

Statistics on Blood donations

For many sickle cell patients, a timely blood transfusion can be lifesaving.

We urge more people to come forward and donate blood.

Government Initiatives

Partnering for a
SICKLE CELL-FREE BHARAT

National Sickle Cell Anaemia Elimination Mission (NSCAEM)

The National Sickle Cell Anaemia Elimination Mission is a initiative launched by the Government of Bharat to eliminate sickle cell disease (SCD) by 2047. This mission aims to identify, manage, and reduce the prevalence of SCD.

National Sickle Cell Anaemia Elimination In a Nutshell

- **Goal:** Eliminate sickle cell disease (SCD) in Bharat by 2047 through early detection and prevention.
- **Screening & Detection:** Nationwide screening in tribal and high-risk areas to identify carriers and patients.
- **Free Treatment:** Providing free medicines, blood transfusions, and genetic counseling for better care.
- **Awareness:** Educating communities about SCD, its inheritance, and prevention.
- **Research & Policy:** Supporting scientific research and policy development to combat SCD effectively.

National Sickle Cell Anaemia Elimination Mission and Tamgadge Trust

Tamgadge Trust aligns with this national mission by conducting free sickle cell testing camps, providing medical assistance, and raising awareness in rural areas. By working together, we can create a sickle cell-free future and improve the lives of those affected.

Date: 24 November 2025

Dear Trustees,

Subject: Commendation for Exceptional Contribution to Sickle Cell Screening, Awareness, and Management in the Vidarbha Region.

On behalf of the Jawaharlal Nehru Port Authority (JNPA), I am pleased to convey our sincere appreciation for the outstanding work undertaken by the Smrutishesh Madhukarrao Tamgadge Charitable Trust in addressing Sickle Cell Disease (SCD) in the Vidarbha region. Your sustained efforts in large-scale screening, awareness, and holistic patient support align strongly with national health priorities and reflect exemplary commitment to community welfare.

In memory of Smrutishesh Madhukarrao Tamgadge, the Trust has grown into a credible and compassionate institution delivering measurable impact at the grassroots. We particularly acknowledge your extensive outreach, through which more than 26,000 children have been screened over the past two years. Your awareness drives, community testing camps, and educational initiatives have significantly strengthened early detection and encouraged timely health-seeking behaviour.

JNPA also appreciates your integrated model offering free diagnostics, essential medicines, treatment facilitation, emotional counselling, and partnerships to ensure cost-free therapeutic support. This comprehensive approach demonstrates deep social responsibility and has created meaningful improvements in the lives of vulnerable families.

Our association with your Trust under JNPA's CSR initiatives complements the Government of India's National Sickle Cell Anaemia Elimination Mission. We value this partnership and encourage you to continue expanding your outreach, particularly to underserved regions of Vidarbha. JNPA remains committed to supporting your initiatives and looks forward to strengthening this meaningful collaboration.

We extend our best wishes to the Trustees and the entire team in your continued pursuit of this noble mission.

Yours Sincerely,

(Unmesh Sharad Wagh)

Management and Youth Empowerment.

--00--

I extend my sincere appreciation to the Smrutishesh Madhukarrao Tamgadge Charitable Trust for your remarkable service to the people of Vidarbha. Your commitment to healthcare, education, and social upliftment reflects the true spirit of community service.

Your impactful work in the screening, awareness, and management of Sickle Cell Disease has brought hope and healing to countless individuals. In a region significantly affected by this condition, your initiatives especially in remote and underserved areas have improved health outcomes and built awareness at the grassroots level.

Equally commendable is your dedication to empowering the girl child and guiding the youth. Through education programs, career counselling, and support for competitive examinations, your trust is helping shape confident, capable individuals ready to contribute meaningfully to society. These efforts are vital in bridging educational gaps and promoting gender equality.

As the Commissioner of Police, Nagpur, I deeply admire your holistic and compassionate approach to public service. Your initiatives align with our shared vision of building safer, healthier, and more empowered communities.

I wish you continued success and assure you of our support in your future endeavours.

To,
The Trustees/Chairman
Smrutishesh Madhukarrao Tamgadge Charitable Trust
Nagpur
Dear Sir/Madam,

Subject: Appreciation and Encouragement for Outstanding Services in Sickle Cell Screening, Awareness, and Management in Vidarbha Region

I am writing on behalf of Maharashtra Metro Rail Corporation Limited (Maha Metro), Nagpur, to express our sincere appreciation and heartfelt encouragement for the exemplary work being carried out by the Smrutishesh Madhukarrao Tamgadge Charitable Trust in the field of Sickle Cell Anemia screening, awareness, and management across the Vidarbha region. Your dedication to addressing this genetic disorder, particularly among tribal and backward communities, aligns closely with public health initiatives and has made a significant impact on countless lives.

We are particularly grateful for our collaborative efforts, including the joint free Sickle Cell screening and awareness camp organized by your Trust and Maha Metro at Metro Bhavan, Deekshabhoomi, Nagpur. This initiative not only highlighted the importance of early detection but also fostered community engagement in a key urban location, contributing to broader awareness in the region.

Your Trust's ongoing activities, such as the Sickle Cell Testing Camps and Medicine Distribution Camps, have been instrumental in reaching remote and underserved areas. Notable examples include the awareness and screening camp held on September 26, 2025, at Zilla Parishad Primary School, Jhadshi, Wardha, where community members were educated and tested. Additionally, recent camps in Selu, Wardha district—such as the one on November 15, 2025, at Shri Gajanan Vidyalaya, testing 104 students, and another testing 216 students—demonstrate your commitment to proactive health interventions. Through these efforts, your Trust has successfully tested over 26,000 individuals for Sickle Cell Anemia, providing critical early diagnosis, counseling, and management support to prevent complications and improve quality of life.

Maha Metro values its association with your Trust and looks forward to strengthening this partnership in future endeavors to promote health and well-being in Vidarbha. Your work supports national goals, such as the Government of India's National Sickle Cell Anaemia Elimination Mission, and inspires organizations like ours to contribute to social causes beyond our core operations.

We encourage you to continue this vital mission with the same zeal and innovation. Please know that Maha Metro stands ready to support and collaborate on upcoming initiatives. Thank you once again for your tireless efforts and positive impact on society.

Yours sincerely,

Sh Anil Kokate

**Subject: Appreciation and Encouragement for
Exemplary Services in Addressing Sickle
Cell Anaemia in Vidarbha Region**

Dear Trustees,

It gives me immense pleasure to write appreciation letter for the real contribution of trust in empowering the persons with disabilities, particularly persons with Sickle cell anemia.

The Trust's dedicated efforts have played a pivotal role in bringing attention to the challenges faced by individuals affected by Sickle Cell Anaemia, a debilitating genetic disorder that impacts thousands in our state. By advocating its cause, you have helped pave the way for greater access to support services, benefits, and inclusive policies under the Divyang Kalyan framework. Furthermore, your proactive programs in screening high-risk populations, raising community awareness through educational campaigns, and facilitating effective management strategies have undoubtedly saved lives and improved the quality of life for many families in Vidarbha. These initiatives align with the Government's

mission to empower persons with disabilities and promote health equity across Maharashtra.

The Government of Maharashtra commends your unwavering commitment, innovative approaches, and collaborative spirit in partnering with local communities, healthcare providers, and stakeholders. Your work serves as a beacon of hope and inspiration, demonstrating how grassroots organizations can drive meaningful change in addressing public health issues like Sickle Cell Anaemia.

We encourage you to continue and expand these vital services, and we assure you of our full support in your future endeavors. Together, we can further strengthen our efforts to eradicate the stigma associated with such conditions and ensure comprehensive care for all affected individuals.

Thank you once again for your selfless service. We look forward to ongoing collaboration for the betterment of our society.

Yours sincerely,

No. Sickle 2025/CR-103/NCD-2
Date - 24/11/2025

Subject: Appreciation and Encouragement for Exemplary Contributions in Sickle Cell Screening, Awareness, and Management in Vidarbha Region.

Dear Sandeep,

I am writing to you on behalf of the Public Health Department, Government of Maharashtra, to express our profound appreciation for the outstanding and selfless service rendered by the Smrutishesh Madhukarrao Tamgadge Charitable Trust in addressing the critical public health challenge of Sickle Cell Disease (SCD) in the Vidarbha region.

Your organization's yeoman efforts in conducting widespread screening programs, raising awareness among communities, and facilitating effective management and support for affected individuals have made a significant impact on the lives of thousands. Initiatives such as organizing free testing camps in over 150 government schools, testing more than 16,000 people, and collaborating with local authorities to provide affordable medications and care demonstrate a deep commitment to alleviating the burden of this genetic disorder, particularly among marginalized and tribal populations in Vidarbha. These actions align closely with the state's mission to eradicate SCD through early detection, education, and accessible healthcare, and have contributed immensely to our collective goals under national and state health programs.

The dedication of your trust, inspired by the vision of supporting education, health, and research, especially for vulnerable groups like orphan girls and those affected by chronic illnesses, is truly commendable. In a region where SCD prevalence is notably high, your proactive interventions have not only saved lives but also empowered communities with knowledge and resources to manage the condition effectively.

We encourage you to continue and expand these invaluable efforts. The Government of Maharashtra remains committed to partnering with organizations like yours to strengthen our public health infrastructure.

Yours *affectionately,*
Nipun Vinayak
